MAY 14, 2015 – 7:30 A.M. to 3:30 P.M.

YOUNGSTOWN STATE UNIVERSITY'S WILLIAMSON COLLEGE OF BUSINESS ADMINISTRATION

The Youngstown/Warren Regional Chamber, in partnership with Data Recovery Services, the area's leading technology consulting firm, are excited to announce the third annual Tech Belt Technology Summit. The all-day event will provide select vendors and IT solutions provider companies an opportunity to present their latest technology and solutions to a group of more than 200 northeast Ohio and western Pennsylvania business decision makers.

The day will include break-out sessions that focus on today's leading technology challenges. Business leaders will be able to learn about which technology solutions will most benefit their companies and how to implement those solutions. They will also get the opportunity to talk with leading vendors such as HP, Cisco and EMC and test the latest offerings from regional vendors.

***The cost to attend is \$25 a person and includes breakfast, lunch, snacks, parking and access to all the day's classroom sessions.**
